Active Attitude COVID-19 Update – Dargaville Gymnastics Club

Dear Dargaville Active Attitude members,

We are currently in COVID-19 Alert Level 2. We will be continuing with classes, but we are needing to make a few modifications to how we operate in Dargaville to comply to the COVID-19 Level 2 restrictions – please read below.

Contact Tracing

- Please use the QR code at the front door to scan in when you arrive. We will also have a staff member at the door manually recording everyone who comes into the hall. Please note: contract tracing information will be passed on to the Ministry of Health if it is required.

Spectators/Parents

- We will be limiting the number of spectators in the hall by only allowing one parent/adult to attend with a child if they are under the age of 5; or new to Active Attitude; or if the participant has a disability or condition which requires the parent to be of assistance.
- For children under the age of 5, a parent or another responsible adult will be required to attend the class with them (the adult attending with them is responsible for the child's physical distancing).
- If your child is over the age of 5 and has a medical condition, disability, or another condition where it would be preferable that a support person attends, please e-mail admin@activeattitude.co.nz to advise us and we will do our best to facilitate your needs.
- Please wait with your child by the markers outside the hall, until the current class in session has finished and exits the hall. We will then call the next class to come through.
- Please pick your child up on time – please wait by the markers outside the hall until your child has finished their class and we will send them out to you.

Classes

- Our coaches will be adapting sessions to limit physical contact and spotting will only be used if it is crucial to a child's safety.

Preparing for class and maintaining good hygiene practices

- Please take your child's shoes off and any loose clothing that they do not need. Please make sure they carry in their own drink bottle with their name on it.
- People are expected to sanitize their hands on entry, exit and using the bathrooms.
- No eating in the hall.
- If you cough or sneeze, please cover using your elbow.

Covid-19 Symptoms

- We reserve the right to refuse members attending classes if they are showing symptoms of Covid-19 (parents – we ask that you please do not put us in this situation and keep your child at home if they have any flu or cold like symptoms). Information about symptoms can be found [here](#).

Payments

- We will not be accepting cash. Please pay via online banking or credit card through our online booking system.

If you have any questions, please do not hesitate to get in contact.

Yours sincerely,

Ashleigh McCaw (Director – Active Attitude)
